CUSTOMER STORIES

Selling our lands with the help of Sunland Group was one of the best decisions we could've made. **Javier Santana, the managing broker with Sunland Group, made a great sales deal for us, was communicative and clear and paved the way for us to complete our sales timely.** Jade Ambroise, the Title Processor at the Closing Team, worked hand in hand with him to make the closing process painless from beginning to end. To top it off, all this happened from miles away. They're in Florida, and we're in Texas. Once Jade started the closing process, she offered support at every step and answered all questions promptly.

Everyone involved made everything an easy, informative, and all-around wonderful experience. They were readily available and professional every step of the way. We had a great experience and would trust the Sunland Group and Closing Team for all future selling needs! **They come highly recommended.**

Thank you guys!
